

Hello Gaurav,

Thank you for the amazing work you have done so far, for our website. Your dedication and hard work has helped us to reach the mark we were aiming regarding our business. This mail is a token of appreciation from my side to Gaurav Shandil as well as his team's efforts for our project.

Before we started working with you, we have worked with few other SEO companies. They promised us loads of things but were not even able to fulfil a single commitment. They never paid heed to my queries or feedbacks, which really disappointed me.

But after a fortnight your sales team approached me for SEO services. Initially I wanted to say no, but after sometime I planned to go ahead with you and now feel that, I made the right decision that day. Ranking By SEO has so far proved to be the good SEO company and you, Gaurav Shandil, is one of the best project manager I have worked with in this industry. Hope our professional relation stays the same in future too.

Thank you
